¹LPFSAs are never taxed at a federal income tax level when used appropriately for qualified dental and vision expenses. Also, most states recognize LPFSA funds as tax deductible with very few exceptions. Please consult a tax advisor regarding your state's specific rules. | ²The example is for illustrative purposes only. Estimated savings are based on a maximum annual contribution and an assumed combined federal and state income tax bracket of 20%. Actual savings will depend on your contribution amount and taxable income and tax status. | ³Contribution limit is accurate as of 11/09/2023. Each fall the IRS updates the LPFSA contribution limits.
